Walker Capital Closes Round 2

On behalf of Walker Capital, I am excited to announce the completion of Round 2 of our capital raise achieving \$250,000. We have now commenced Round 3 of the capital raise.

The Round 2 funds will be used for marketing and the development of our investment platform integration with our broker / counterparties. We also will be expanding our Managed Investments to include securities.

We thank our investors for their confidence in the Company and look forward to growing the business with their support.

About Walker Capital

Walker Capital offers a managed discretionary account (MDA) service, specialising in rules based trading of derivatives. With expert guidance from its seasoned investment managers, Walker Capital develops and manages sophisticated currency related trading models suitable for a variety of investors and investment strategies. The Company's investment managers only trade in markets in which they believe they have a statistical edge and is based on mathematical models derived from extensive statistical research and study.
